DISEASES OF THE EYE
FOR his own convenience, and the comfort

...treatment, cannot always obtain suitable accommodations, the subscriber is preparing a happy and healthy life for himself and his family and for the healthy part of the city. It will be a relief from other boarding houses of moderate price, and only in the adaptation of its internal arrangement to the needs of the family will it be a relief to the eye. It will be under the control of a person in whose discretion and kind consideration the family will be placed, and will be opened June 1st, 1892.
